

Consensus in the West

Goals of the Workshop

- **Develop consistent terminology**
- **Information exchange**
- **Refine programs**
- **Discuss Commonalities**
- **Develop reciprocity**

Goals of the Workshop [Continued]

- **Develop a legislative toolkit**
- **Paradigm shift if appropriate**
- **Shape new programs in the west**
- **Boater consistency in the west/Outreach**
- **Discuss low risk procedures**

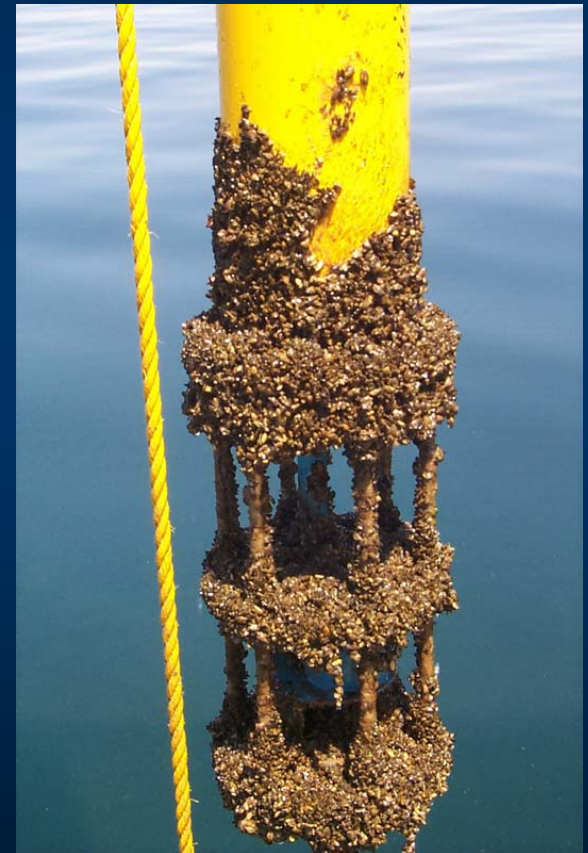

Approach

- **Workshop was divided into two groups**
 - **State AIS Coordinators**
 - **Lawyers and Attorney Generals**

AIS Coordinators developed a list of regulatory needs

- **Inspection Authority**
- **Interdiction Authority**
- **Impoundment Authority**
- **Quarantine Authority**

Regulatory needs [Continued]

- **Ticketing Authority**
- **Disposal Authority**
- **Data Collection Authority**
- **Decontamination Authority**

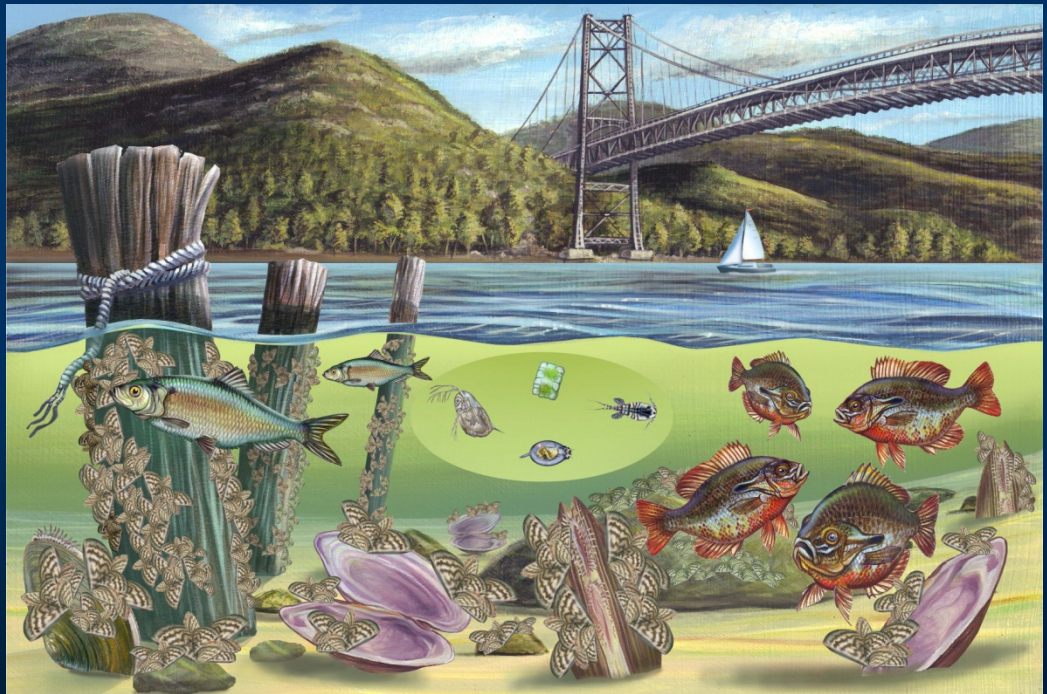

Lawyers Developed Legislative and Regulatory Solutions for the Needs

Primary Discussions: Reciprocity

- **Should boats from different waters be handled differently**
- **Low versus high risk certifications**
- **Trust among states/jurisdictions**

Primary Discussions: Classification of Waterbodies

- Unknown
- Uninfected
- Suspect
- Positive
- Infected

Primary Discussions: Classification of Waterbodies

- **DNA**
- **Laboratory Certification**
- **Veligers**
- **Adults**
- **Combinations/multiple confirmations**

Primary Discussions: Inspections

- **High Risk versus Low Risk Inspections**
- **Classification by boat type versus waterbody**

Primary Discussions: Seals

- Locking devices
- Simple paperwork

Follow-up Meeting Scheduled for Spring 2014
